Each such assessment, together with interest and costs, and reasonable attorney's fees (as provided in the Act) incurred by the Association in collecting delinquent assessments shall also be the personal obligations of the person or entity who was the Owner of such Lot at the time when the assessment became due. The personal obligation of an Owner for delinquent assessments shall not pass to his successors or assigns in title unless expressly assumed by them, notwithstanding that the lien for delinquent assessments shall continue to encumber the Lot. In addition, the Association shall have all those powers provided for in the Act, including the ability to impose fines.

2. Developer Exclusion: Developer shall not be required to pay assessments for Lots or Common Elements owned by Developer.

3. Purpose of Assessments: The Assessments levied by the Association may be used for the following purposes:

- (f) for the exterior maintenance of all improvements on each Lot within the Property, including painting, repairing, replacement and care of roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements. Such exterior maintenance shall not include glass surfaces or locks. In the event that the need for maintenance or repair of a Lot or improvements thereon is caused by the willful or negligent acts of the Owner of any Lot or through the willful or negligent act of any family member, guest, or invitees of the Owner of any Lot needing such maintenance or repair, the cost of such exterior maintenance shall be added and become part of the assessment to which such Lot is subject. Special Assessments for Capital Improvements: In addition to the annual assessments authorized herein, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the vote of Class A and Class B members who are voting in person or by proxy at a meeting duly called for this purpose. Written notice of any meeting called for the purpose of taking any action authorized under this section shall be sent to all members not less than thirty (30) days and no more than sixty (60) days in advance of the meeting.

5. Annual Assessments: Annual assessments shall be fixed by the Board of Directors of the Association. At least thirty (30) days in advance of each annual assessment, the Board of Directors of the Association shall fix the amount of the annual assessment against each Lot and send written notice of such assessment to every Owner subject thereto. The due dates of such assessments shall be established by the Board of Directors and such assessments shall be payable on the due date, but may be collected in monthly, quarterly, or annual assessments, as established by the Board. If the assessment is not paid within thirty (30) days of the due date, the Board may impose a late fee of the greater of: (i) twenty dollars (\$20.00) per month; or (ii) ten percent (10%) of any assessment installment unpaid. The Association may bring an action in law against the Owner personally obligated to pay the assessment and interest or foreclose the lien created therein in the same manner as described by the laws of the State of North Carolina for foreclosure of deeds of trust. Cost and reasonable attorney fees as provided for above for any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Elements, or abandonment of his dwelling unit or Lot. In the event that an action at law results in a judgment being entered against the Owner of any Lot and in favor of the Association, the Association shall be further empowered to obtain execution on such judgment in a manner to the extent provided for and permitted by the laws of the State of North Carolina. The Association may delegate collection of delinquent assessments to a duly-appointed property manager.

7A. Assessment Fines for Non-Compliance: In the event that any Owner shall fail to comply with the terms of this Declaration, Bylaws, Rules or other restrictions hereunder, the Association Board may notice such noncomplying Owner(s) of a hearing before an adjudicatory panel appointed by the Board, in compliance with N.C.G.S. 47F-3-107.1, and shall be given notice of the charge, opportunity to be heard and to present evidence, and notice of the decision. If it is decided that a fine should be imposed, a reasonable fine not to exceed the greater of one hundred dollars (\$100.00) or such greater sum as permitted by law, may be imposed for the violation and without further hearing, for each day after the decision that the violation occurs or persists uncorrected. 10. Subordination of Lien to Mortgages: The lien of the assessments provided for herein shall be subordinate to any mortgage or deed of trust which is a first lien on a Lot within Wynnshire Ridge. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Nothing herein shall prevent, and any mortgagee may, at its option, pay any delinquent obligations of a property Owner. Developer or Association shall notify by certified mail return receipt requested, any mortgagees of any delinquency or any default in the presence of any obligations of an Owner prior to taking any action against such Owner which would affect the mortgagee.

ARTICLE VII Insurance

All Owners of Lots on which units are located shall have an affirmative obligation to provide the Developer or the Association with a copy of the declaration page of their current fire and extended coverage insurance policy at or prior to closing. In the event of damage to or destruction of any dwelling unit which would be covered by a standard fire and extended coverage insurance policy, the Owner of such dwelling unit shall have the affirmative responsibility of reconstructing or repairing it regardless of whether such Owner has such a standard fire and extended coverage insurance policy. In the event of the Owner's failure to repair or reconstruct such dwelling unit, the Association may, at its discretion, clean up the debris or repair the damage and add the costs thereof to the assessment against the Lot upon which said dwelling unit is located, and collect such assessments pursuant to the provisions of Article VI.

ARTICLE VIII Easements

1. Easements Established: All Lots and Common Elements within the Subdivision shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage facilities, gas, telephone, cable television and electric power lines and ingress and egress and for other purposes as shall be established by the Association.

Developer does hereby dedicate said rights of way as shown as public roadways, and is constructing such road rights of way in accordance with current Department of Transportation specifications. As such, and pursuant to N.C.G.S. Section 136-102.6, all future Lot Owners acknowledge that the rights of way as shown on the Plat are public road rights-of-way dedicated to public use and will be developed in accordance with the minimum right-of-way and construction standards established by the North Carolina Department of Transportation for acceptance on the State highway system. As such, all future Lot Owners, and their heirs, successors and assigns, covenant and agree that they shall be jointly responsible for the maintenance, upkeep, repair and service of such road rights of way until such time as the Department of Transportation assumes the obligation for the maintenance of said road rights of way.

3. Encroachments and Developer's Easements to Correct Drainage: All dwelling units or Lots and the Common Elements shall be subject to easements for the encroachment of initial improvements constructed on adjacent Lots by the Developer to the extent that such initial improvements actually encroach,

including, without limitation, such items as overhanging eaves, gutters, downspouts, exterior storage rooms, steps and walls. If an encroachment is created as a result of settling or shifting of any building or as a result of any permissible repair, construction, reconstruction, or alteration, there is hereby created and shall be and remain a valid easement for such encroachment for the maintenance of the same. For a period of twenty-five (25) years from the date of conveyance of the first Lot in a phase, the Developer reserves a blanket easement on, over and under the ground within that phase to maintain and to correct drainage or surface water in order to maintain reasonable standards of health, safety, and appearance, expressly including the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or take any other similar action reasonably necessary. After such action has been completed, the Developer shall restore the affected property to its original condition to the extent practicable. Developer shall give reasonable notice of intent to take such action to all affected Owners. These rights and reservations are assignable by the Developer. Nothing in this section shall be deemed to impose an obligation upon Developer to maintain and correct drainage and surface water conditions.

4. Easements to Catawba County and Public or Private Utilities: A perpetual easement is hereby established for county, state or public or private utilities serving the area, their agents and employees over all Common Elements hereby or hereafter established for postal and private mail delivery, garbage collection, setting, removing and reading utility meters, maintaining and replacing utility or drainage connections, or cable service, and acting with other purposes consistent with the public safety and welfare, including, without limitation, police and fire protection.

5. Easement for Construction Purposes: Developer shall have full rights of ingress and egress to and through, over and about the Common Elements in the Subdivision during such period of time as Developer is engaged in any construction or improvement work on or within the Subdivision. Developer shall further have an easement for the purpose of the storage of materials, vehicles, tools, equipment, etc. which are being utilized. No Owner, his guests or invitees shall in any way interfere or hamper Developer, its employees, successors or assigns, in connection with such construction, it being understood and agreed that the construction activities of Developer or its contractors or subcontractors, so far as practical, not interfere with the quiet enjoyment of Lots within the Subdivision.

6. Duke Power Contract: The Developer reserves the right to subject the Property to a contract with Duke Power for the installation of underground electric cables and/or the installation of street lighting, either or both of which may require an initial payment and/or a continuing monthly payment to Duke by the Association.

ARTICLE IX Party Walls

1. General Rules of Law to Apply: Each wall which is built as a part of the original construction of the homes upon the Property and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply therein.

2. Sharing of Repair and Maintenance: The cost of reasonable repair and maintenance of a party wall shall be shared equally by the Owners of dwelling units adjoining such party wall.

3. Destruction by Fire or Other Casualty: If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owner thereafter makes use of the wall, they shall equally contribute to the cost of restoration thereof without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

4. Weatherproofing: Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

5. Right to Contribution Runs with the Land: The right of any Owner to contribution from any other Owner under this article shall be appurtenant to the land and shall pass to such Owner's successors in title.

6. Arbitration: In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose an additional arbitrator, and the decision shall be by a majority of all the arbitrators.

ARTICLE X

Obligations to Mortgagees

The following provisions are established for the benefit of the holders of mortgages (the definition of mortgages to include Deeds of Trust or other security instruments) encumbering any Lots located within the Subdivision:

(a) Developer or Association shall be obligated to notify the holder of any first mortgage or deed of trust on a Lot, upon request of such holder, of any default by the Lot Owner and the performance of any of such Owner's obligations described herein, including failure to pay assessments when due, which is not cured within sixty days from the date of such default;

(b) First mortgagees of Lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any of the Common Elements and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for such Common Elements;

ARTICLE XI

Wynnshire Ridge Property Owners' Association

The Developer does hereby establish a non-profit corporation which shall be known as the Wynnshire Ridge Property Owners' Association (herein "Association"). The purpose of the Association shall be to provide for the orderly enforcement of these covenants, including, but not limited to, the maintenance, upkeep and repair of the joint rights of way within the Subdivision and any Common Elements or any other matter or area determined by the Association to be a Common Element or other area of common interest. The Board of Directors as established in the Bylaws of the Association shall constitute the Executive Board as defined in N.C.G.S. 47E-3-103 and shall be subject to the provisions of such statute, except as set forth in this Declaration or the terms of the Bylaws of the Association.

ARTICLE XII

General Matters

1. Adjoining Properties and Governmental Actions: All purchasers of Lots do hereby acknowledge that Developer has made no representations as to uses of adjoining properties and such purchasers have been advised to investigate on their own accord any particular uses of adjoining properties and acknowledge that they have assumed such responsibility. By acceptance of a deed

conveying title to any Lot within the Subdivision, such purchasers do hereby understand and agree that Developer is not responsible for any activities or actions conducted on any property adjoining the Subdivision, or in any way relating to or arising out of any use of any property adjoining the Subdivision. The purchaser of any Lot acknowledges that they have investigated on their own accord how such uses may affect the Subdivision and are satisfied that they do not materially or substantially affect the value, use or enjoyment of any Lot.

2. Enforcement: Enforcement of these covenants and restrictions shall be by any proceeding at law or equity against any person or persons violating or attempting to violate or circumvent any covenant or restriction, either to restrain or enjoin violations, or to recover damages, or in addition to the lien enforcement rights set out in Article 2 of Chapter 44A of the North Carolina General Statutes, by any appropriate proceeding at law or equity against the land to enforce any lien created by these covenants. Action for enforcement may be brought by the Association or any Lot Owner. In addition, the Association may impose reasonable fines pursuant to the Act against any property Owner for violation of these Restrictions. The remedies granted and reserved herein are distinct, cumulative remedies and the exercise of any of them shall not be deemed to exclude the rights of other property Owners to exercise any or all of the other remedies or those which may be permitted by law or equity. The failure to enforce any rights, restrictions or conditions contained herein, however long continued, shall not be deemed a waiver of this right to do so hereafter as to the same breach, or as to a breach occurring prior to or subsequent thereto and shall not bear on or affect its enforcement. Any person entitled to file a legal action for violation of the covenants shall be entitled as part of any judgment in favor of the filing party to recover a reasonable attorney's fee as a part of such action.

3. Amendment and Modification. The Developer does hereby declare the advantages accruing to the Property from these covenants and restrictions hereinabove set forth. All covenants, restrictions and affirmative obligations set forth herein shall run with the Property and shall be binding on all parties and persons claiming under them. Except as otherwise set forth in these Restrictions, during the Control Period, the Developer hereby reserves the absolute right to modify and/or to amend these Restrictions in whole or in part in Developer's sole and absolute discretion as the Developer deems proper and appropriate. After the Control Period, any amendments to these Restrictions shall be made and approved in the manner whereby at an annual meeting or specially called meeting of the Members, sixty-seven percent (67%) of the Members vote in favor of such amendment and once made, shall be come effective when recorded in the Catawba County, North Carolina, Register's Office. For the purpose of any such vote of the Members, each Member shall vote as set forth in Article V herein. Whenever herein the Developer has reserved a right or the discretion to decide a matter, then the exercise of such right and the decision of such matter shall be in the sole and absolute discretion of the Developer. Nothing herein shall require or shall be construed so as to require the Developer or its related persons or entities to subject all or any part of its remaining adjoining property to these Restrictions.

4. Developer Control. The "Control Period" or "Developer Control Period" shall mean that period of time from the date of the recording of these restrictions through the earlier of 1) January 1, 2020, or 2) that date upon which Developer conveys the last Lot as shown on the plat or any subsequent recorded plat adding property as an additional phase of the Subdivision.

5. Additional Property. Developer may add subsequently acquired contiguous property to the subdivision which will be developed in a similar manner as this first phase and will be made subject to these covenants, conditions and restrictions.

IN WITNESS WHEREOF, the Developer has hereunto set its hand and seal the day and year first above written.

ARTICLE V

Directors

5.1. Number and Qualifications of Directors. The Board shall consist of three (3) natural persons, as determined in the sole discretion of Developer during the Developer Control Period and thereafter by a majority of the members. During the Developer Control Period, a Director need not be a member of the Association or be a resident of North Carolina. A Board member may be the Developer or a representative of Developer. After the Developer Control Period expires, a Director must be a Lot Owner or the individual nominee of a Lot Owner which is other than an individual.

5.2. Election of Directors. During the Developer Control Period, the Developer reserves the right to elect the Board. Election of Directors by the members shall occur at the first annual meeting of the members after the end of the Developer Control Period, and at each subsequent annual meeting after the term of the Directors have expired. The members shall elect the Directors by a majority of the votes cast in the election.

5.3. Term. The term of the Directors during the Developer Control Period shall be in the sole discretion of Developer. After the Developer Control Period has expired, the term of the

Directors shall be for two (2) years. No Director may serve consecutive terms. Once elected, a Director shall hold office until his successor has been duly elected and has qualified.

5.4. Removal. During the Developer Control Period, the Developer retains the sole authority to remove any Director, with or without cause. After the Developer Control Period has expired, any Director may be removed, with or without cause, by a vote of the members entitled to cast at least sixty-six and two-thirds percent (66 2/3%) of the total votes in the Association, at a special meeting called for such purpose. During the Developer Control Period, the Developer shall appoint a successor to serve for the balance of the removed Director's term (which term is within the sole discretion of Developer during the Developer Control Period). Thereafter, the members by majority vote shall appoint a successor to serve the balance of the removed Director's term.

5.5. Vacancies. Any vacancy in the Board arising by death or resignation of a Director shall be filled by act of the remaining Directors, whether or not constituting a quorum, and a Director so elected shall serve for the unexpired term of his predecessor in office.

5.6 Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined by a majority of the Directors, but at least three (3) times a fiscal year (as that term is defined in Sections 5.13(a) and 8.2 below). Notice of regular meetings shall be given to each Director, personally or by mail, telephone, facsimile or telegraph, at least thirty (30) days prior to the meeting.

5.7. Special Meetings. Special meetings of the Board may be called by the President and shall be called by the President or the Secretary and held within ten (10) days after written request signed by two (2) Directors is delivered to any other Director or the President or the Secretary. Not less than seventy-two (72) hours' notice of such special meeting shall be given personally or by mail, telephone, facsimile or telegraph to each Director, provided that in case the President or any Director determines that an emergency exists, a special meeting may be called by giving such notice as is possible under the circumstances. All notices of a special meeting shall state the time, place and purpose thereof. No business shall be transacted at a special meeting except that which is stated in the notice thereof.

5.8. Quorum: Adjournment if No Quorum. Fifty percent (50.0%) of the Board shall constitute a quorum for the transaction of business at any meeting of the Board. If a quorum is not present, the meeting shall be adjourned from time to time until a quorum is present, in accordance with the provisions of N.C.G.S. 47E-3-109. The signing by a Director of the minutes of a meeting shall constitute the presence of such Director at that meeting for the purpose of determining a quorum.

5.9. Manner of Acting. Each Director shall be entitled to one (1) vote. The act of a majority of the Directors present at a meeting shall constitute the act of the Board unless the act of a greater number is required by the provisions of applicable law, the Restrictions or these Bylaws.

5.10. Meeting Forums: Board Action Without Meeting. Although regular or special meetings may occur at such places as specified in the notice, regular or special meetings by means of a conference telephone or similar communication device are permissible as long as

the required notice is given. Any action that may be taken at a meeting of the Board may be taken without a meeting if such action is authorized in writing, setting forth the action taken, signed by all Directors.

5.11. Compensation of Directors Restricted. Directors shall receive no compensation for their services but may be paid for out-of-pocket expenses incurred in the performance of their duties as Directors.

5.12. Powers and Duties of Board. All of the powers and duties of the Association shall be exercised by the Board, including those existing under the common law, applicable statutes, the Act, the Restrictions (as delegated by the Developer), the Articles, and these Bylaws, as any thereof may from time to time be amended. Such powers and duties shall be exercised in accordance with the provisions of applicable law, the Act, the Restrictions, the Articles, and these Bylaws, and shall include, but not be limited to, the following:

Any assessments, charges or fines levied against members shall specifically relate to the need to preserve and fulfill the purposes set forth in the Association's Articles of Incorporation and are applied to Owners of Lots in their capacity as owners-members rather than in some other capacity such as customers for services.

ARTICLE IX

Assessments

9.1. General Assessments and Additional Limited Assessments.

(a) Obligation of Members to Pay Assessments: Amount of Levy. Each Lot Owner shall be personally and severally liable for an assessment determined by dividing the total acreage of such Owner's Lot by the total acreage of all Lots within the Subdivision, and then multiplying by the total amount of the Association's Common Expenses as determined in the Board's discretion. The levy of an annual assessment noted above does not include any special assessment which may be levied against a Lot Owner in accordance with Section 9.7 below.

(b) Obligation of Some Members to Pay Additional Limited Assessment. Some Lot Owners as may be designated by Developer shall, in addition to the assessment provided for in paragraph 9.1(a) above, pay an additional limited assessment (herein "Limited Assessment") for such items and expenses which are unique and limited to that particular group or phase of Lots as designated by Developer. Each such designated Lot Owner shall be personally and severally liable for such additional Limited Assessment (in addition to the general assessment set forth above) determined by dividing the total acreage of such Owner's Lot by the total acreage of all Lots within the designated particular group or phase of Lots as determined in the

Board's sole discretion at the time of the additional Limited Assessment, multiplied by the total amount of the Limited Common Expenses or Single Family Residential Limited Expense (if applicable) and such other expenses as may be shared by and unique to the designated particular group or phase of Lots. The levy of such Limited Assessment noted above does not include any special assessment which may be levied against a Lot Owner in accordance with Section 9.7 below.

9.2. Allocation of Common Surplus. Any common surplus, including funds in reserve accounts, may be allocated to each Lot in accordance with its percentage of the share of assessments, and, if allocated, shall be owned by the Lot Owner, and, if allocated, may be paid to the Lot Owner or credited against that Lot's share of Common Expenses subsequently assessed. Notwithstanding the above, the Board shall retain the authority to apply said surpluses to any current Fiscal Year expenditures in order to satisfy the exempt function income qualification for Nonprofit corporations under Section 528 of the Internal Revenue Code.

9.3. Preparation of Budget and Levying of Assessment. Except as hereinafter provided, for each Calendar Year, beginning with the Calendar Year commencing on January 1, 2005, the Board shall prepare and adopt a budget, including therein estimates of the amount necessary to pay the Common Expenses, together with amounts considered necessary by the Board for reserves. After preparation and adoption of each such budget, the Board shall provide each member with a copy, and shall give each member notice of the assessment made against that member's Lot based upon such budget and may also state the interest to be charged on delinquent payments thereof (other than as provided in these Bylaws). The assessment shall be deemed levied upon the giving of such notice.

9.4. Assessment A Lien. Every assessment shall constitute a lien upon each Lot as set forth in the provisions of N.C.G.S. 47F-3-116, prior to all other liens except only (i) real estate taxes and other governmental assessments or charges against that Lot and (ii) liens and encumbrances recorded before the docketing of a claim of lien.

9.5. Payment of Assessments. Assessments shall be payable when notice thereof is given, but shall not be delinquent if paid at the times and in the amounts specified by the Board in the notice of assessment. Payments shall be made to the Association, or as the Board may from time to time otherwise direct. Unless the notice states contrary, annual assessments are typically due and payable in monthly installments at the first of every month.

9.6. Notice to First Mortgagees. Although the lien of assessments may be superior to the lien of a First Mortgagee, any enforcement of said assessment lien by the Association's filing of a collection or foreclosure action with the courts shall require the giving of notice to the applicable First Mortgagee, if any. All Owners of Lots acknowledge that such notice shall not constitute a violation of any state or federal unfair debt collection laws. Failure to give the notice provided for herein shall not be a defense for the defaulting member in the enforcement action filed by the Association.

9.7. Special Assessments. In addition to the assessments levied pursuant to Section 9.3., the Board, in its sole discretion during the Developer Control Period, may levy special assessments at such other and additional times as in its judgment are required for:

- (a) Alterations, restoration and reconstruction of Community Property and its facilities.
- (b) Improvements, acquisitions and additions to the Community Property.
- (c) Payment of costs and expenses incurred in curing defaults pursuant to Sections 10.1. and 10.3. hereof.

Special assessments made pursuant to this Section shall be a Common Expense, shall be deemed levied upon notice thereof being given to the members subject to such special assessment and shall be payable as determined by the Board and as set out in such notice. After the Developer Control Period, the Board may levy special assessments only with the consent of 67% of the members voting.

9.8. Failure to Prepare Budget and Levy Annual Assessment: Deficiencies in Procedure. The failure of the Board or delay of the Board in preparing any budget, and to levy or in levying assessments, shall not constitute a waiver or release of the members' obligation to pay assessments whenever the same shall be determined and levied by the Board. Until a new assessment is levied by the Board pursuant to Section 9.3, each member shall continue to pay the assessment then previously levied pursuant to Section 9.3 in the same amount and at the same periodic times as levied, or as the Board may otherwise advise in writing. Also, any deficiencies or inadequacies in the procedure followed by the Board in levying an assessment shall not in any way affect its validity or the obligation of members to pay such assessment.

9.9. Assessment Roll: Certificate. All assessments shall be set forth upon a roll of the Lots which shall be available in the office of the Association for inspection at all reasonable times by members and Security Holders, and their duly authorized representatives. Such roll shall include, for each Lot, the name and address of the member or members, all assessments levied, and the amount of all assessments unpaid. The Association, upon written request, shall furnish to a Lot Owner, or his authorized agent, a recordable certificate setting forth the amount of unpaid assessments currently levied against his Lot. The certificate shall be furnished within fourteen (14) business days after receipt of the request and shall be binding upon the Association and all Lot Owners. For such certificate a reasonable fee may be charged by the Board. All Owners of Lots acknowledge that such notice provided in an assessment roll or certificate shall not constitute a violation of any state or federal unfair debt collection laws.

9.10. Default and Enforcement If any assessment, or installment thereof, remains delinquent for thirty (30) days, then that assessment, and all other assessments then a lien against that Lot, may be declared by the Board to be immediately due and payable in full, with interest, without further notice, and such lien may be enforced in accordance with Article 2, Chapter 44A of the North Carolina General Statutes, with Chapter 47A for liens on unpaid common expenses or such other relief allowed by law. All fees, late charges, attorneys' fees, fines or interest levied or collected by the Association in connection with any unpaid assessments shall have the same priority as the assessment to which they relate.

The Association also shall be entitled to suspend the right of a defaulting Lot Owner to use the Community Property, to the extent allowed by law, and its facilities until the delinquency is cured.

The remedies noted herein for default on assessments shall include, without limitation, any and all remedies set forth in the Restrictions. The failure of the Association to enforce any assessment delinquency shall not constitute a waiver or abrogation of the right of the Association or its agents to enforce such delinquency in the future, irrespective of the number of breaches thereof that may have occurred by the member regarding assessments.

9.11. Interest on Delinquent Assessments. Assessments, or installments thereof, paid before they become delinquent, shall not bear interest, but all sums delinquent more than thirty (30) days shall bear interest at the rate of eighteen percent (18%) per annum or as set forth in the notice levying the assessment (but not exceeding the rate of interest allowed by law) from the date of the delinquency until paid. All payments upon account shall be applied first to interest and then to the assessment, or installment thereof, longest delinquent. All such interest shall have the same priority as the assessment on which such interest accrues.

9.12. Common Expenses. Common Expenses shall mean and include all sums declared Common Expenses by any specific provision of these Bylaws or the Restrictions, and shall include, without limitation, the following: real estate taxes, and other governmental assessments or charges against the Common Elements; costs associated with the maintenance, repair and improvement of the Common Elements; premiums for any and all insurance maintained by the Association, including any deductible or coinsurance amount not covered by insurance; legal and accounting fees; costs and expenses incurred in connection with any litigation or administrative proceeding pursuant to Section 5.13(g) hereof; deficits remaining from any prior assessment period; the cost, including fees and interests, incurred in connection with any borrowing done by the Association; the cost of all fidelity bonds; costs imposed upon the Association as a result of the performance, enforcement or amendment of, any agreement or easement to which the Association is a party or to which the Common Element, or any part of either thereof, is or may be subject including, but not limited to amounts determined necessary for reserve funds; and indemnity payments made by the Association pursuant to Article VII hereof.

9.13. Limited Common Expenses. Limited Common Expenses shall mean and include all sums declared to be Limited Common Expenses by any specific provisions of these Bylaws or the Restrictions, and shall include, without limitation, all costs expended for the care, maintenance and upkeep of Limited Common Elements. Assessment shall be in accordance with Section 9.1(b) above. Certain Lots within the Subdivision may be designated by Developer as benefitting from the Limited Common Elements more so than other Lots within the Subdivision. Such Lots so designated shall pay such Limited Common Expense assessments as may be required to maintain the Limited Common Elements.

ARTICLE X

Compliance, Enforcement, Fines and Penalties, Other Than Assessment Liens

10.1. Default and Remedies. A default in or failure to comply with any of the terms, conditions, obligations, and provisions of the Restrictions, these Bylaws, the Articles, or the rules and regulations, as the same may be amended from time to time, by any Lot Owner or Occupant, shall be grounds for relief that may include, without intending to limit the same or to constitute an election of remedies, an action to recover fines and penalties as determined by the Board, sums due for damages, an injunction, or any combination thereof, and which relief may be sought by the Association, an aggrieved Lot Owner, or by any person or class of persons adversely affected. Also, if any member fails to perform any obligation under the Act, the Restrictions, these Bylaws, the Articles or such rules and regulations as hereinafter promulgated, then the Association may, but is not obligated to, perform the same for the member's account, and for such purpose may enter upon his Lot, may make necessary repairs, advance expenses or other sums necessary to cure the default, and for such expenses and costs may levy a special assessment against the Lot owned by such defaulting member. The Association also shall be entitled to suspend the right of a defaulting Lot Owner to use the Common Community Areas and its facilities until the default is cured

10.2. Notice of Default and Failure to Cure. In the event of any such default or failure, the Board shall serve upon or mail to the defaulting member, and to each First Mortgagee of that member's Lot when required under Section 9.6 of these Bylaws, a written notice specifying the nature of the default or failure, the cure thereof, and the time within which the cure shall be effected. Within the time limit specified in the notice, the defaulting member may cure the default or failure specified, or serve upon or mail during the specified cure period a written notice to the Board requesting a hearing before the Board. If a hearing is so requested, the Board shall thereafter serve upon or mail to the defaulting member, and to each First Mortgagee which was entitled to notice of the default as above provided, a notice specifying the time and place for such hearing. At the hearing, the Board shall take such evidence and hear such testimony as it deems necessary or desirable. The Board shall not exercise any remedies to obtain relief from the default until the hearing is over and the Board has made its determination and served upon or mailed the same to the defaulting member and each such First Mortgagee. The hearing may be continued from time to time as determined by the Board. Upon taking such evidence and hearing such testimony, the Board, at the hearing or at such later time, shall determine, in writing, and at its sole option, to waive the default in whole or in part, to extend the time within which the default may be cured, or to proceed immediately to levy a fine or penalty, or to exercise any one or more of the remedies available to the Board due to such default. The Board shall serve upon or mail to the defaulting member, and to each such First Mortgagee which was entitled to notice of the default as above provided, a copy of its determination. A violating party shall have thirty (30) days to appeal a decision of the Board to a court of law and failure to file said appeal within thirty (30) days after receipt of the hearing determination or notice of default and cure if a hearing is not requested shall bar any challenges or any causes of action brought afterwards by said party. The Board's finding of default shall be conclusive in a case of a party's failure to appeal within the above prescribed time. If the defaulting member (i) does not cure the default or request a hearing within the time limit specified in the original notice of default given pursuant to this Section, or (ii) so requests a hearing, but fails to cure the default (to the extent not waived by

the Board) within the extended time, if any, granted by the Board after hearing, then the Board shall serve upon or mail to the defaulting member, and to each such First Mortgagee which was entitled to notice of the default as above provided, a written notice of such member's failure to effect a cure, and the Board may then proceed to take such action as it deems necessary to obtain relief.

10.3. Remedy of Abatement in Addition to Other Remedies. In the event a member fails to effect the cure specified by the Board within the time period set out in Section 10.2. hereof, where the default is a structure, thing, or condition existing in or on the premises of the member's Lot, the Board, or its duly authorized representative, shall have the right to enter upon the premises of the member's Lot in which, on which, or as to which, such default exists, and summarily to abate and remove, at the defaulting member's expense (and levy an assessment therefor as provided in Section 10.1. hereof), the structure, thing, or condition constituting the default, and the Board, the Association, and their agents, employees, and representatives shall not thereby be deemed guilty of any manner of trespass.

10.4. Injunction. Any person or class of persons entitled to seek relief for any such default or failure may obtain a temporary restraining order, injunction or similar relief, without first using the procedure established by Section 10.2 hereof, if such default or failure creates an emergency or a situation dangerous to persons or property.

10.5. Recovery of Attorneys' Fees and Costs. In any proceeding arising because of an alleged default by a member, the prevailing party shall be entitled to recover the costs of such proceeding and such reasonable attorneys' fees as may be allowed by the court, with interest thereon at the higher of (i) 4% over the prime rate announced by Branch Banking & Trust Company at the time the costs are incurred and (ii) the highest rate allowed by law at the time the costs are incurred, from the dates such costs are incurred until paid.

10.6. Nonwaiver of Covenants. The failure of the Association or of any member thereof to enforce any term, provision, right, covenant, or condition that may be granted by the Restrictions, these Bylaws, the Articles, the rules and regulations or the Act, as the same may from time to time be amended, shall not constitute a waiver or abrogation of the right of the Association or a member to enforce such term, provision, right, covenant, or condition in the future, irrespective of the number of violations or breaches thereof that may have occurred.

10.7. Assessment Liens. Assessment liens shall be enforced pursuant to Article IX hereof and not pursuant to this Article X.

ARTICLE XI

Amendment

During the Developer Control Period, the power to alter, amend, or repeal the Bylaws or adopt new Bylaws shall be vested in the Board with Developer approval being necessary for any particular change. After the Developer Control Period has expired, the amendment of Bylaws or adoption of new Bylaws can only occur at a regular meeting of the Members and shall require: an affirmative vote of sixty-seven percent (67%) of all of the Members of the Association who own Single Family Residential Lots to such changes.

ARTICLE XII

(b) By the Association. Any such act of the members shall control over any contrary rule or regulation then or thereafter adopted by the Board.

(d) Copies Furnished. Copies of all such rules and regulations and any amendments thereto shall be furnished to all members, and a copy shall be posted or otherwise made available to members at the office of the Association. However, failure to furnish, or post, or make available, such rules or regulations shall not affect in any way their validity or enforceability.

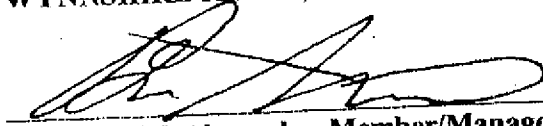

12.2. Parliamentary Authority. Robert's Rules of Order, Newly Revised, shall govern the conduct of Association proceeding when not in conflict with the Restrictions, these Bylaws, the Articles, the Act, or any statutes of the State of North Carolina applicable thereto. The President of the Association shall have the authority to appoint a parliamentarian.

12.3 Compliance with the Act: Conflict: Severability. These Bylaws are established in compliance with the Act. Should any of the terms, conditions, provisions, paragraphs, or clauses of these Bylaws conflict with any of the provisions of said Act, the provisions of said Act shall control unless the Act permits these Bylaws to override the Act, in which event these Bylaws shall control. In the case of any conflict between the provisions of these Bylaws and the Restrictions, the Restrictions shall control. If any term, provision, limitation, paragraph, or clause of these Bylaws, or the application thereof to any person or circumstance, is judicially held to be invalid, such determination shall not affect the enforceability, validity, or effect of the remainder of these Bylaws, or the application thereof to any other person or circumstance.

12.4 Form of Notice. Whenever in the Restrictions, the Act or these Bylaws it shall be required or permitted that notice or demand be given or served on the Association or a Lot Owner or a First Mortgagee or other party entitled to notice, such notice or demand shall be

given in writing by registered or certified mail, postage prepaid, to the respective addresses as hereinafter set forth. All notices or demands provided under the terms of the Restrictions, the Act or these Bylaws shall be effective when actually received by a party entitled to notice or when attempted to be delivered as authorized above. The addresses of a party entitled to notice may be changed, from time to time, by either party serving notice as above provided.

COMMUNITY RULES AND REGULATIONS

Revised 4/2012

The unique appearance of Wynnshire Ridge is created through carefully crafted architectural and landscape plans (base plans) that blend with the beautiful surrounding geography. These rules and regulations are intended to maintain this “unified look” in order to preserve and enhance the value of our properties. It is also desirable to afford individual owners an opportunity to add personal touches that complement, but do not overwhelm the base plan nor create a look that is out of character with the rest of the community. Some restrictions such as limiting attachments to building exteriors, fences, retaining walls, etc. are to prevent premature costly repairs or replacement. Others like the quantity and size of non-plant ornamentation and plant height limitations promote good neighbor policy and prevent obscuring views.

All unit owners are required by the Community Covenants to adhere to rules and regulations established by the Property Owners Association (POA) including their family members, guests and renters. The POA Board of Directors and its Committees will monitor owners’ compliance, review written requests for changes and advise management of violations for enforcement. They will also work closely with the POA’s landscape contractor, monitoring performance and making recommendations for seasonal beautification and longer-term improvements to the base plans.

I. GENERAL

An above the patio fence line exception is granted for a solid or two-tone, earthtone-colored (non-advertising) patio umbrella. All additions or changes to other common areas must be approved in advance.

Moderation in plant quantity, variety and size (less than 2 ft. in height) is encouraged. No fruits or vegetables are allowed. Owners are responsible for repairing mulch that is disturbed, maintenance of such plantings and their removal at the end of the season. Similar plantings in small decorative pots (no more than two (2) may be placed outside the unit entrance.

Residents will be allowed 2 Shepherd's hooks (either 3ft or 6ft size) – no more than double hooks on each. **1 birdfeeder per unit is allowed.** No fountains or sprinkler systems will be allowed. All items must be placed so they do not interfere with landscape maintenance.

The following are prohibited for decorating: inflatable, penetrations to the building, door, roof or walls, and items on top of the roof.

b. Activities requiring prior approval-

1) No changes to the landscape beds including additions, moving, removal or substitutions of base plantings are allowed without prior approval. The exception to this is the Chateau and Villas inside their patio fences. This planting area is at the discretion of the owner. Individual written requests that are in keeping with the “unified look” will be considered. No plantings of any kind may be made to other common areas such as hillsides, park, fences, retaining walls, outsides of patios and sidewalks, etc. without prior approval.

2) No owners, guests or renters shall employ an outside lawn maintenance company or contractor to perform any work on the common property without written approval. No owners, guests or renters will interfere with or give instructions to the POA's landscape contractor. Requests for the landscape contractor should go through the management company.

3) No changes, including colors, to the exterior of buildings or other common improvements such as fences, retaining walls, park, clubhouse, etc. may be made without approval. Skylights must be approved in advance. Skylights installed are owner responsibility to maintain and any roof leaks caused by the skylight intrusion will be charged back to the owner. All exterior repairs and replacements, except for glass, screens and locks, are the responsibility of the POA and all requests for such work should be made to the POA through the management company.

c. Activities that are restricted-

5) Statuary, flags (except North Carolina and United States Flags), and wind chimes are not allowed. Placement of these approved flags upon the structure shall be limited to trim(s) area, not rock surfaces.

6) One bird bath may be placed within the fence patio area and not be higher than the fencing.

7) Signage for selling of unit(s) is restricted. Refer to the Covenants and Restrictions for size and placement.
